

# Christian Education Benefits Solutions Scholarship Guidelines

## Scholarship Purpose

The CEB Solutions Scholarship is established to support the educational aspirations of students whose parents are employed at Christian Education Benefits Solutions Plan member schools. This scholarship aims to recognize and reward students who have demonstrated a commitment to social justice and/or environmental sustainability, aligning with the values of Christian Education.

The CEB Solutions Scholarship is designed to support and encourage students who embody the values of Christian Education. By recognizing their contributions to social justice and/or environmental sustainability, and advancing God's Kingdom, we aim to inspire future leaders who will continue to make a positive impact in their communities and beyond.

## Eligibility

Applicants must be children of current CEB Solutions Plan participants. Applicants can be attending any secondary school but their parent must be an employee at a CEB Solutions Plan participating school.

Applicants must be secondary school students in their final year, and accepted to and entering their first year of post-secondary education at an accredited college or university.

## Qualifying Criteria

Applicants must demonstrate significant contributions to social justice and/or environmental sustainability, aligning with the values of Christian Education. Examples could include volunteer work, community projects, mission trips, innovative solutions addressing global challenges, or any work that exemplifies a student's commitment to a Christian worldview and the advancement of God's Kingdom on earth.

Applicants are committed to providing feedback on how their educational experience during the scholarship year has influenced their ideas and actions regarding social justice and/or environmental sustainability.

## Application Details

Students will submit proof of acceptance to an accredited college or university, along with a statement of their intended area of study during their scholarship year.

Applicants will submit a short 250 – 500 word essay demonstrating their contributions to social justice and/or environmental sustainability.

A letter of recommendation from a teacher, supervisor, or director is not a requirement, but may be submitted optionally to provide additional insight into the applicant's commitment in these areas.

Applications are due on May 29, 2026.

## **Application Reporting**

Recipients are required to provide feedback on how their educational experience during the scholarship year has helped build their ideas and convictions on social justice, within a year following their scholarship reception. This feedback will be used for CEBS communications and to promote the scholarship's impact.

## **Details**

The scholarship program is administered by the Christian School Foundation.

Two \$4,750 scholarships are available, one for students living in BC, Alberta, Saskatchewan, Yukon, NWT, Nunavut, and Manitoba, and one for students living in Ontario, Quebec, Newfoundland, and the Maritime Provinces.

Awarded funds will be sent directly to either the university or college the student is attending or to the high school from which they are graduating. Students may be required to provide current contact information.
